2025 YEAR IN REVIEW

Dear GreatLIFE Family,

As we begin 2026, I want to extend warm wishes for a Happy Holiday and Happy New Year. This season is a time for reflection, gratitude, and hope. I hope your year has been filled with joy, personal growth, and meaningful moments with loved ones. Thank you for being part of the GreatLIFE community. Your loyalty inspires us, and we remain committed to providing exceptional experiences and lasting relationships. We're proud to be your home for fitness, golf, and connection. With that being said, all golf memberships will increase \$5.00 per month. Expect New Yamaha Golf Carts at Island Green and Deer Lake this winter and extra carts at Greene Hills!

Deer Lake – What a fantastic season we had this year, and the best news was no major winter kill on the tees and fairways. Even better news was the no news on the possible softball development at Deer Lake. At this point we are hopeful that we can extend through another golf season. Once again, the worst case is a nine-hole course. We remain optimistic that it will retain up to 15 holes with plans for us to return to 18 holes. More information and updates will be sent when we receive them. Look for New Yamaha golf carts and continued course improvements. All tree piles from the spring storms will be removed over the winter. Bunker work will continue. Keep an eye out for a new chipping green by the driving range.

Island Green – We are upgrading the clubhouse HVAC and buying New Yamaha Golf Carts, along with continued course improvements. Irrigation work continues. Holes 7 and 12 tee boxes are scheduled to be sodded, and repairs are being made to front nine bathrooms.

Greene Hills – There will be a new pool liner installed, more golf carts, a new clubhouse roof and continued course improvements. The back nine restrooms are being upgraded and clubhouse bathrooms are being updated. We're also upgrading golf course equipment for better routine mowing this season.

Our focus remains on enriching the lives of our members through golf, fitness, and healthy lifestyles. We're committed to creating spaces where families and individuals can connect, play, and make lasting memories. From all of us at GreatLIFE, we wish you a joyful holiday season and a bright, fulfilling New Year!
